Current Evaluation Projects

- **Judicial Council of California,** San Francisco, CA (2021 - current). Designing and implementing an alumni survey to determine the effectiveness of the AmeriCorps funded ***California JusticeCorps*** program that is located in three regions in California (Bay Area, Los Angeles and San Diego). Also designing evaluation systems for the program sites to better track and report on required performance measures.
- **South Coastal Counties Legal Services**, Brockton, MA (2018 - current). Designing and implementing an outcome and impact evaluation for the ***AmeriCorps Legal Advocates of Massachusetts*** program that places college and law school graduates in legal services organizations throughout Massachusetts. Placements are in most civil law practice areas, including housing, immigration, income maintenance, health and mental health law, elder law, and family law.
- **Lake County Tribal Health Consortium, Inc.,** Lakeport, CA (2022 – current). Conducting a process and implementation evaluation for the California Tobacco Control Program (CTCP) funded ***LCTHC Tobacco Education Program***, which has three main objectives: to improve the screening and referrals system by clinic staff, to provide tobacco education and cessation clinical services, and develop and implement smoke-free policies at two Rancherias in the county.
