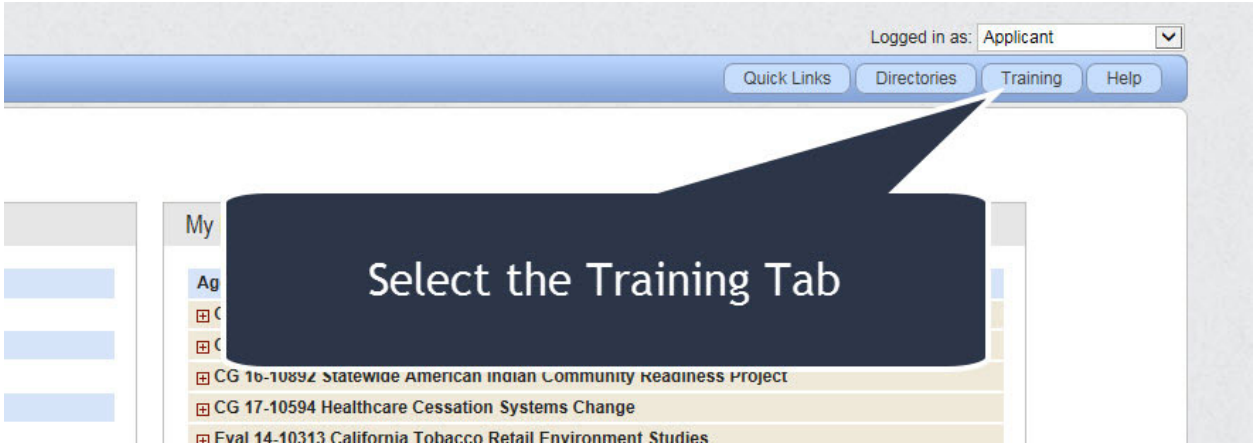
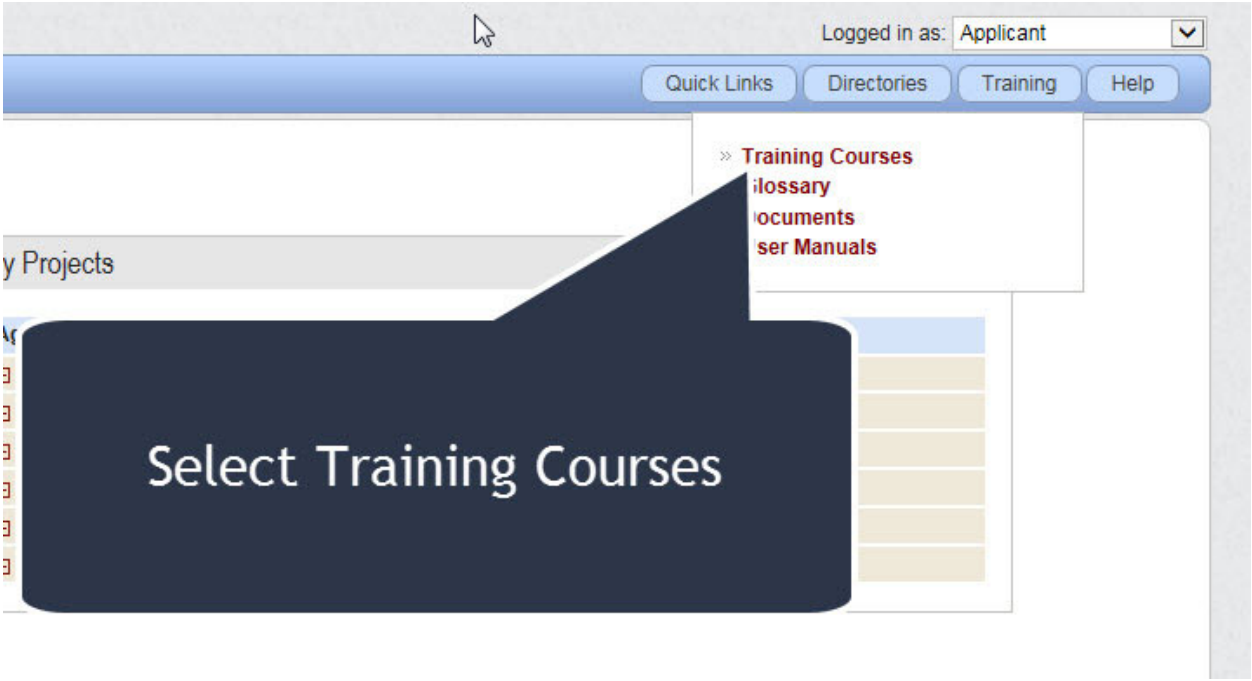
OTIS Applicant Training Course

STEPS:

1. Log-in to OTIS;
2. Use the Training link on the Blue Tool Bar;
3. Select Training Courses;
4. View the Training Module





Training Courses

Overview

Welcome to the OTIS training courses. This training includes web-based tutorials developed to provide on-demand instruction for OTIS users. The courses are organized by units (creating your application/plan, progress reporting, cost reporting, etc.) and modules within a unit.

System Requirements

The system requirements for viewing the training modules are:

- A multimedia system with a sound card and speakers
- High-speed Internet access
- Pop-up Blocker DISABLED
- The latest version of **Firefox** or **Internet Explorer**
- Flash Player version 10.0 or later

If the graphic above says "Fla... ed.
