Funding Opportunities and Resources

Funding Opportunities | Project Directory | Evaluator Directory | CTCP Websites

The California Tobacco Control Program (CTCP), California Department of Public Health (CDPH) provides information on available funding opportunities to conduct:

- local tobacco control projects by community-based organizations and local health departments,
- statewide training and technical assistance projects,
- statewide evaluation/surveillance projects, and
- statewide paid media and public relations projects.

Resource documents, links to directories and websites, and information about trainings that help applicants with the preparation and submission of an application are also provided.

Funding Opportunities
Provides information about current funding opportunities, eligibility requirements, submission requirements, contract documents, and resources to help agencies prepare and submit an application to the California Tobacco Control Program.

Project Directory
Provides contact information and project descriptions for agencies currently funded by CTCP.

Local Program Evaluator Directory
Find contact information, qualifications and geographic availability of local program evaluators interested in working with local tobacco control projects in California.

CTCP Featured Websites
Find links to websites maintained by the CTCP, statewide CTCP-funded projects, and key national tobacco control organizations.

Steps to Follow

CTCP 10-100 Competitive RFA - Local Tobacco Control Interventions

Closing Date	November 5, 2009
Purpose	This RFA will make $5.7 million available each year to fund approximately 38 local tobacco control intervention projects (an individual award will be up to $450,000 for each project for the three-year contract term) which demonstrate the ability to change social norms around tobacco use, reach priority populations, and address other tobacco-related disparities.
General Updates	Please read all instructions carefully. New or updated documents may be posted to this site; it is the applicant's responsibility to utilize the most updated documents. We encourage you to check this site periodically for updates. The "Request to Apply" period will open on September 10, 2009. A button will appear at the bottom of this page to begin the "Request to Apply" process.
