Funding Opportunities and Resources

Funding Opportunities | Project Directory | Evaluator Directory | CTCP Websites

The California Tobacco Control Program (CTCP), California Department of Public Health (CDPH) provides information on available funding opportunities to conduct:

- local tobacco control projects by community-based organizations and local health departments,
- statewide training and technical assistance projects,
- statewide evaluation/surveillance projects, and
- statewide paid media and public relations projects.

Resource documents, links to directories and websites, and information about trainings that help applicants with the preparation and submission of an application are also provided.

Funding Opportunities
Provides information about current funding opportunities, eligibility requirements, submission requirements, contract documents, and resources to help agencies prepare and submit an application to the California Tobacco Control Program.

Project Directory
Provides contact information and project descriptions for agencies currently funded by CTCP.

Local Program Evaluator Directory
Find contact information, qualifications and geographic availability of local program evaluators interested in working with local tobacco control projects in California.

CTCP Featured Websites
Find links to websites maintained by the CTCP, statewide CTCP-funded projects, and key national tobacco control organizations.

CTCP 10-95121 Statewide Youth and Young Adult Advocacy, Training and Technical Assistance.

Steps to Follow

Closing Date	September 18, 2009
Purpose	Award a single contract to operate and maintain a youth and young adult project to provide tobacco-related advocacy, educational materials and technical assistance (TA) and training. The recipients of these services are California Tobacco Control Program (CTCP) funded agencies (local health departments, community-based organizations, and other statewide training and technical assistance agencies) who operate tobacco control-related projects throughout California.
