

**RFA 20-10013 California Tribal Grants to Reduce Tobacco-Related Disparities**

**Question Period 1**

**Eligibility Questions:**

- Q. If a Tribe's casino sells tobacco products, does this disqualify the Tribe from applying?
- A. No, having a tobacco retailer on tribal lands does not affect eligibility for this funding opportunity.

**Program Requirements:**

- Q. If a Tribe applies for Track 2 funding, and there is a Local Lead Agency Tobacco Coalition in the area already, is it required to create another coalition?
- A. Yes. Track 2 requires the development and maintenance of either a youth or adult coalition, so a separate tribal coalition is required.
