FUNDING OPPORTUNITY ALERT

CALIFORNIA DEPARTMENT OF PUBLIC HEALTH (CDPH)
CALIFORNIA TOBACCO CONTROL PROGRAM (CTCP)

SOLICITATION ADMIN 20-10206
TOBACCO PRODUCT WASTE WHITE PAPER

Purpose: CDPH/CTCP is soliciting proposals from eligible, experienced agencies to coalesce existing research from peer reviewed literature, government reports, organizational reports, tobacco industry documents, key informant interviews, and other sources in order to produce a white paper targeted towards decision makers and public health advocates that: (1) summarizes the effects of tobacco product waste on the environment and humans; (2) summarizes the role tobacco product waste may play in contributing to social disorder and stress in urban and disadvantaged communities; (3) describes the role of the tobacco and vape industry in producing and maintaining tobacco product waste; and, (4) describes recommendations for action that focus on upstream solutions that go beyond anti-litter campaigns and ash can approaches to the tobacco product waste problem.

Statutory Authority: Services to be provided as a result of this solicitation are authorized in Health and Safety Code Section 104390.

Term: **March 1, 2021 through February 28, 2022***

Funding: The anticipated funding available is up to \$150,000. Proposals must be for the entire 12-month period and shall not exceed \$150,000. Funding is contingent upon available revenues, appropriation by the Legislature and the Governor, multi-year spending authority, and CDPH/CTCP funding priorities and/or legal or administrative limitations.

Release Date: **August 26, 2020***

The solicitation and any updates will be available through the CDPH/CTCP Tobacco Control Funding Opportunities and Resources (TCFOR) website at: <https://tcfor.catcp.org/>. The CTCP website <http://www.cdph.ca.gov/tobacco> includes a link to TCFOR.
