

Tobacco Control Funding Opportunities and Resources Website Home Page

Purpose

The purpose of the ***Tobacco Control Funding Opportunities and Resources*** (TCFOR) website is to consolidate access to information and resources about funding opportunities from the California Tobacco Control Program, California Department of Public Health into a single location. Type <http://tcfor.catcp.org> into the address line of your web browser to access the TCFOR website.

This website provides access to all procurements released by the California Tobacco Control Program including: Requests for Applications (RFA), Requests for Proposals (RFP), Local Lead Agency Guidelines, and funding renewal instructions for currently funded agencies. These procurements may be open and competitive or limited to local health departments or to currently funded agencies. Please read the eligibility requirements prior to submitting a “***Request to Apply***.”

For the purpose of simplifying language and terminology throughout this website the following terms are defined as:

- Applicant: refers to an agency seeking funding regardless of whether the agency is applying for funding from a RFA, RFP, Local Lead Agency Guidelines, or renewal procurement.
- Procurement: Refers to a funding opportunity and may include a RFA, RFP, Local Lead Agency Guidelines or renewal instructions.
- Local Lead Agency: refers to the 61 local health departments.

This site provides:

- General information about the purpose and time lines of current and archived procurements.
- The ability to download RFA, RFP, Local Health Department funding guidelines, and renewal agency funding instructions.
- Access to websites, directories, and downloadable resource documents that may assist applicants in the preparation of their funding request.
- The ability to create a “***User Account***” in order to “***Request to Apply***” to a funding opportunity. (An agency that has an active or inactive Online Tobacco Information System (OTIS) login and password is to use their existing OTIS login and password. Only users who have never had an OTIS login and password are to create a new “***User Account***.”)
- The ability to “***Request to Apply***” to a funding opportunity. Submitting a “***Request to Apply***” requires the user to state the anticipated funding amount to be requested.

- The ability to submit a “**Letter of Intent.**” Once the “**Request to Apply**” is approved by the California Tobacco Control Program, the requestor will receive an email verification of the request, or will be contacted for more information if there was a problem with the request. If the request is approved, an email will be sent to the requestor which will provide the login name, password, and a website link to OTIS, which provides access to an online application.¹ From the “**My Agency**”² section of OTIS an agency can submit requests for multiple users within that agency to have access to the online application.

Request to Apply Instructions

1. Fields in **Red** are required and must be completed to save information and move forward through the system.
2. A “**Request to Apply**” is only to be submitted by one individual per project/agency for which an application will be submitted (e.g., only one person from the *Stop Tobacco Use Now!* project at Coffee Health Clinic is to submit a “**Request to Apply.**”) Once the initial request is approved by CALIFORNIA TOBACCO CONTROL PROGRAM, the original requestor can request that additional user accounts be created and linked to the application so that these additional users can assist in completing of the application.
3. To submit a “**Request to Apply**” click on “**Funding Opportunities.**”

The screenshot shows the header of the California Tobacco Control Program website. The header includes the text "California Tobacco Control Program" and "Tobacco Control Funding Opportunities and Resources". There are links for "Contact Us", "Help", and "FAQ" in the top right corner, and a "Navigation" button below them. Below the header is a dark grey box with white text describing the program's mission. Below that is a red-bordered box containing a list of navigation items. The first item, "Funding Opportunities", is highlighted in purple and has a red box around it. The second item, "Project Directory", is in blue.

Tobacco Control Funding Opportunities and Resources

Navigation

The California Tobacco Control Program, California Department of Public Health provides information on available funding opportunities to conduct local tobacco control projects by community-based organizations and local health departments, statewide training and technical assistance projects, statewide evaluation/surveillance projects, and statewide paid media and public relations projects. Resource documents, links to directories and websites, and information about trainings that help applicants with the preparation and submission of an application are also provided.

- Funding Opportunities**
Provides information about current funding opportunities, eligibility requirements, submission requirements, contract documents, and resources to help agencies prepare and submit an application to the California Tobacco Control Program.
- Project Directory

¹ OTIS is an interactive web-based system used by the California Tobacco Control Program to manage its contracts. The system includes a number of functions including maintenance of contact information, application submission, peer review processes, and submission of progress and cost reports.

² The link to *My Agency* is located in the footer of the OTIS Home page.

- From the list of “**Current Funding Opportunities**” click on the title of the procurement for which your agency/project seeks to apply.

Overview

The *Funding Opportunities* site includes information on open and upcoming calls for proposals/applications; instructions on how to apply; archives of past funding opportunities; FAQs; and a sign-up for E-Mail alert services.

Current Funding Opportunities

Title	Open Date	Close Date

Password:

[Forgot Your Password?](#)

To request to apply for this opportunity you must sign in using your OTIS login name and password.

If you do not have an OTIS account, [register here](#).

Proposals are due Friday Aug 01, 2008 by 12:00 AM (PST)

7. **Qualifying Questions:** After you “*Sign In*” you may be asked to respond to several questions prior to finalizing your request to ensure that your agency is eligible to apply. See below for a sample of Qualification Questions. After you respond to the questions, click on “*Submit*.”

LLA 07-10 Test Procurement

Qualification Questions

Please answer the following questions to determine if you are eligible to apply for this funding opportunity.

1. Have you read the FAQ and How to Apply sections fo the website?
 Yes
 No
2. Is the applicant organization located within the State of California?
 Yes
 No
3. Is the applicant organization a Not-For-Profit?
 Yes
 No

8. **Agency Selection:** After you “*Sign In*”, click on the button that lists your agency’s name and its 10-digit Federal Identification (FEID) number. If the agency which is applying is not listed, then click on the “*Create New Agency*” button and you will be prompted to provide official information about the agency.

Click on “*Next*” to move to the next screen.

LLA 07-10 Test Procurement

Agency Selection

Select the applying agency below to begin the request process.

If the agency which is applying is not listed, select “ Create New Agency” and you will be prompted for the agency’s information.

- Agency Name: TCS (FEID 000-000-00)
 Create New Agency

9. **Additional Information:**

- **Anticipated Funding Request:** Complete this field by stating the amount of money you anticipate requesting in your application. Please review the procurement instructions for information about the amount of awards to be made. Do not enter a (\$) dollar sign or any commas. This is an estimate and is used by the California Tobacco Control Program for planning purposes only. When you submit the final application, you may request more or fewer funds.
- **Letter of Intent:** If the procurement for which you are applying for requests a letter of intent, review the RFA/RFP for instructions about the information to be provided in the letter. The letter of intent is a very important document to the California Tobacco Control Program because it helps us to calculate the number of peer reviewers to be recruited and the areas of peer reviewer expertise needed. The information provided in the letter of intent is not binding. It is only used by the California Tobacco Control Program to aid our planning of the peer review.

Prepare the letter using word processing software and save the document to your computer as a word document or PDF. To upload the letter of intent, click on "**Browse**" and search your computer files for the correct electronic file. Click on the name of the file and then click on "**Open**." The name of the file uploaded will appear in "**Letter of Intent**" field. If you have uploaded the correct file, click on "**Next**."

Funding Opportunity

Additional Information

Fields in **RED** are required.

Title: Funding Opportunity
Agency Name: Tobacco Control Section, California Department of Health Services

Anticipated Funding Request: \$ Please enter a number. Do not include \$ or commas.

Letter of Intent:

10. **Request to Apply Submission:** Verify that the “*Anticipated Funding Request*” and the “*Letter of Intent*” are correct. If they are correct, click on “*Submit Request*.” If there is an error, click on “*Cancel Request*.” If you cancel, you will start the “*Request to Apply*” process over.

Funding Opportunity

Request to Apply Submission

Please review the information listed below. If any of it is incorrect, click on the “Cancel Request” and start over. If it is correct, Click on “Submit Request” to send the Request to Apply to CTCP.

Once submitted you will receive E-Mail confirmation of the submission at the E-Mail listed for the account which submitted the request. You should receive a response from CTCP within five (5) business days.

Title: Funding Opportunity
Agency Name: Tobacco Control Section, California Department of Health Services
Anticipated Funding Request: \$11,111.00
Letter of Intent: [Uploaded Letter of Intent](#)

11. Verification: Following the successful submission of your request, you will receive the following notice.

Funding Opportunity

Request to Apply Submitted

Thank you for submitting your Request to Apply for this funding opportunity.

You will shortly receive an E-Mail confirming your submission. You should receive a response from CTCP within five (5) business days

Navigating the Tobacco Control Funding Opportunities and Resources Website

Click on “**Funding Opportunities**” to access a list of current procurements released by the California Tobacco Control Program, California Department of Public Health.

The California Tobacco Control Program, California Department of Public Health provides information on available funding opportunities to conduct local tobacco control projects by community-based organizations and local health departments, statewide training and technical assistance projects, statewide evaluation/surveillance projects, and statewide paid media and public relations projects. Resource documents, links to directories and websites, and information about trainings that help applicants with the preparation and submission of an application are also provided.

» [Funding Opportunities](#)

Provides information about current funding opportunities, eligibility requirements, submission requirements, contract documents, and resources to help agencies prepare and submit an application to the California Tobacco Control Program.

» [Project Directory](#)

Provides contact information and project descriptions for agencies currently funded by CTCP.

» [Local Program Evaluator Directory](#)

Find contact information, qualifications and geographic availability of local program evaluators interested in working with local tobacco control projects in California.

» [CTCP Featured Websites](#)

Find links to websites maintained by the CTCP, statewide CTCP-funded projects, and key national tobacco control organizations.

Funding Opportunities Overview

Purpose

Overview

The purpose of the “**Funding Opportunities Overview**” is to provide links to:

- “**Program Background**” which describes the history and structure of the California Tobacco Control Program.
- “**Opportunities**” which includes information about currently open procurements, instructions on how to apply for funding, and upcoming funding opportunities..
- “**FAQ**” which is a list of frequently asked questions and responses.
- “**Email Alert Services**” which provides the ability to sign-up for an email alert whenever new opportunities are posted or there are amendments to current funding opportunities; and
- “**Archive**” which provides links to past procurements.

Opportunities

Purpose

Opportunities

The “**Opportunities**” section of the website provides links to all currently open funding opportunities and descriptions of funding opportunities anticipated in the near future.

General Instructions

Click on the *Title* of a procurement to:

- Download a copy of the procurement
- Download forms that need to be completed and submitted with the application or proposal
- Obtain information and instructions about an information meeting and/or training conducted to assist agencies applying for funds
- Create a “**User Account**”
- Submit a “**Request to Apply**” for funds
- Find links to websites, directories and download resource documents that will help you prepare your submission for funding.

Specific Instructions

- **Deadline:** Indicates the final date to submit a completed application.

- **Purpose**: Describes the general purpose for the use of the funds being made available.
- **Application Information**: Provides links to download a copy of the funding alert which announced the availability of the funds, and to the procurement instructions.
- **Contract Documents**: Provides links to any documents that are to be downloaded, completed and submitted as part of the application submission.
- **Meeting/Training**: Provides information and access instructions for any meeting that will be conducted for potential applicants prior to the submission of the application.
- **How to Apply**: Provides a login screen for users who already have a “***Login Name***” name and “***Password***”
- **Eligibility and Selection Criteria**: Describes requirements about the basic qualifications of potential applicants.
- **Key Dates**: Summarizes key dates associated with the procurement which may include the submission, award announcement, appeal deadline, etc.
- **Total Award**: Describes the total funds available for the entire procurement.
- **Contact Information**: Identifies the California Tobacco Control Program staff who may be contacted with questions about the procurement.

The "Archive" link is highlighted with a red box. Below the navigation menu is a section titled "Overview" with a description of the site's content. Below that is a section titled "Current Funding Opportunities" with a table of procurement information. At the bottom of the page, there are three links: "View Upcoming Funding Opportunities", "Sign-up for E-Mail Alert Services", and "View Archive". The "View Archive" link is highlighted with a red box.

Title	Open Date	Close Date
fabulous opportunity	08-11-2008	09-23-2008
FCT 05 Another Test Procurement	06-01-2008	08-30-2008
LLA 07-10 Test Procurement	05-01-2008	08-01-2008
Test Procurement	05-01-2008	08-01-2008
